

# JUNE 24

# LIFECYCLE

# CONFERENCE

*The Davidson County Sheriff's Office (DCSO) and Sheriff Daron Hall are proud to offer the second annual Lifecycle Conference. As you can see from the mission, Lifecycle is really all about making sure offenders leave jail better than when they entered. This isn't possible without community partners and volunteers. The conference will explore ways both non-profit organizations and businesses alike can work with the DCSO, Juvenile Court and the District Attorney offender populations and help reach our goal of making offenders taxpayers, not tax burdens. The police arrest the person and the DCSO is committed to arresting the problem. We can't reach our goals without help from the Nashville community. Join in this collaborative discussion June 24 with others who want to break the cycle of crime and turn lives around.*
